Foreword

You to the left and I to the right,
For the ways of men must sever --
And it well may be for a day and a
 night,
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its
 fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going.

Richard Hovey
from "At The Crossroads"

As our high school years end, we look back with fondness to the fun we had and the friends we made. Now we have reached a crossroads in our life and our paths must separate; some choosing one way and some another. We realize that in graduating, we have met one challenge, have reached one goal, but must face many more ahead. We see now that the experiences of our past four years were but steps on the path to the future.

Dedication

To you, Mr. Brown, we, the Senior Class of 1965, dedicate this yearbook, in appreciation for the understanding and guidance you have given us during our four years at Lee High School. With us, you have shared your advice, your humor, and your enthusiasm. Tirelessly, you have devoted yourself to improving our minds, strengthening our character, and making us better people. Each and every one of us would like to say, "thank you."

"Whatever talents a man has, he is untrue to himself if he doesn't use them."

This quotation is indicative of the philosophy of Mr. DiNunzio. Not only has he utilized his many abilities to a high degree but also has he inspired in his students a desire to seek and develop their own musical talents. Under his direction, the Music Department has become an intricate part of the school. Because of his enthusiasm and devotion to excellence, membership in the band is an honor, calling for hard work and perseverance.

For unselfishly giving of his time in our behalf and for broadening our knowledge, appreciation, and enjoyment of music, we, the Senior Class of 1965, dedicate this edition of the "Echo" to Mr. Charles DiNunzio.

1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The process of urbanization is the movement of people from rural areas to urban areas. This is a result of the fact that urban areas offer more opportunities for employment and education than rural areas do. The process of urbanization has led to the growth of large cities and the decline of small towns and villages. This has had a significant impact on the way of life in the United States. The majority of the population now lives in urban areas, and this has led to a number of changes in the way of life. For example, the majority of the population now lives in large cities, and this has led to a number of changes in the way of life. The majority of the population now lives in large cities, and this has led to a number of changes in the way of life.  Each homeroom conducted an election to choose its representative. The Student Council consists of nineteen members.

The activities this year include the completion and acceptance of the constitution.

The Student Council hopes to achieve many things which will be beneficial to the school. Among these goals are raising the school spirit and having more complete student participation in activities throughout the school.

Wildcat

[illegible]

Under the direction of two talented editors, Margaret Tucker and Christopher Miller, the "Wildcat" has enjoyed a most successful year. For the first time, the "Wildcat" was published monthly. Competitive contests between upperclassmen and underclassmen greatly enhanced the quality of the publication. Much credit must be given to Mrs. Walker and Miss Laird for their helpful guidance and to Mr. Zukowski and his staff for their assistance.

Art Club

Under the talented instruction of Miss Loretta Mello, art students worked on their projects in many media: jewelry, metal craft, ceramics, weaving, painting, pastels, and linoleum blocks. Many of the artists entered contests in Pittsfield and Boston. The year produced two excellent exhibits and monthly displays in the main corridor of the school.

Girls' Athletic Association

In the GAA, participation in various athletic events, either as a player or as a manager, earns a girl points which lead to awards. Sports offered under this program are: field hockey, volleyball, basketball, gymnastics, track and field, and softball.

Under the leadership of Miss Ludlow and Judy Consolati, President, many activities were held. The GAA sponsored a Winter Sports Day at a local ski area. At the end of the year, a Mother-Daughter Banquet was held. The girls received their awards at this time.

Scholastic eligibility and good sportsmanship are requisites for belonging to the GAA, making it one of the most worthwhile organizations at Lee High School.

G. A. A. OFFICERS: S. DiSimoni, Miss Ludlow

Of the various activities offered to the girls, basketball is the most popular.

Senior boys at work.

One of the most practical activities in Lee High is the Public Speaking Club. The art of expressing oneself clearly and forcefully is invaluable in today's society. The good public speaker is able to 'talk his way into and out of almost any thing.

This club, advised by Mr. Brown, is composed of approximately 25 students. The speakers meet every week during the activity period. Each person has many opportunities to deliver a great number of oral topics. The subject matter of these speeches is varied. They describe travels, hobbies, experiences, and anything else that pops into their minds. No matter what the topic is, the students strive to make their speeches fluid, coherent, and interesting. With practice, the members of this group gradually gain composure and overcome the "butterflies" in their stomachs. Also, as the public speakers grow more experienced, they become more confident in themselves. This confidence is carried over into all the aspects of life and promotes greater success.

Mr. Brown congratulates Allen Williams, the 1964 winner of the Voice of Democracy contest, on a fine speech.

Assemblies

JIM PATTON -- In March the student body was entertained in an assembly which featured Jim Patton, the star defensive halfback for the New York Giants. The first half of the program consisted of movies showing the Giants in action against such rivals as the Baltimore Colts and the Cleveland Browns. After the movies ended, Mr. Patton described the weaknesses, strong points, and potential of his football team. The students asked questions concerning the Giants, football in general, and even about Mr. Patton himself (one girl asked if he advertised shaving cream on T.V.). After the assembly, there was such an onslaught of autograph seekers that even a football player couldn't escape!

On October 14, 1965, the student body was entertained by Mr. Kenneth Wheeler. He spoke "Of Men and Stars."

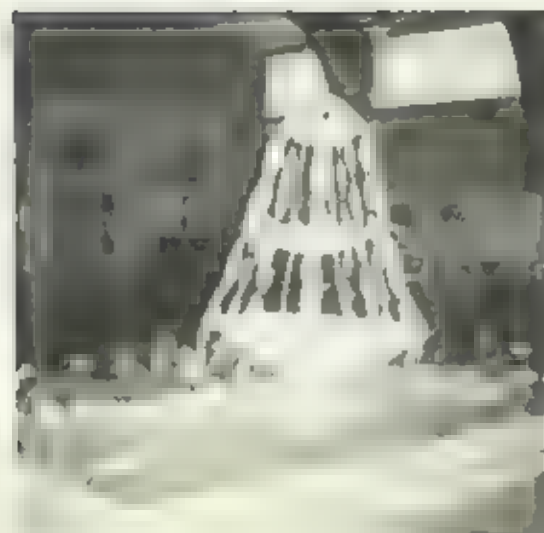

The 1965 Lee High winner of the Voice of Democracy song contest, Roland Fennell gives his speech to the entire school.

Thomas King and his Berkshure Orchestra entertained on December 18. Featured was Mrs. Madeline Herzog on the harp.

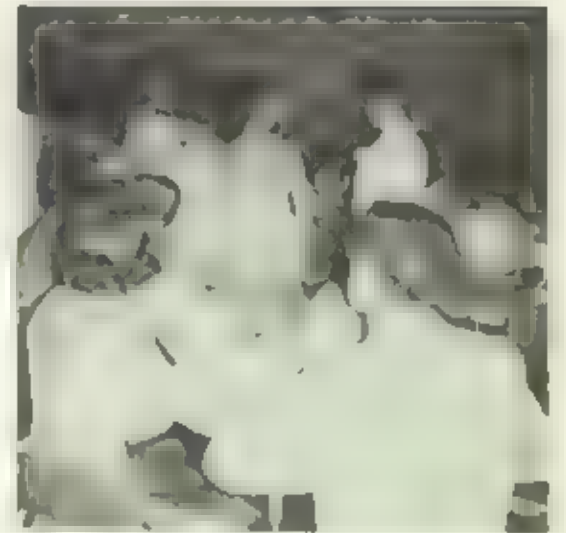

One of the highlights of the pep rally for the Lee-Lenox game was a speech by Jim DiSimoni.

The Lee High Band marched second in the annual Fall Foliage Festival, held on September 27, in North Adams.

Band

The Lee High School Band, ably conducted by Mr. Charles DiNunzio, started the 1964-'65 school year off with appearances at two football games.

On September 27th, the band and majorettes participated in the North Adams Fall Foliage Festival, second in position only to the North Adams High School Band.

The first concert was held in the First Congregational Church on December 6th; the second, on December 21st in the High School gymnasium. Teresa Szewczak, baritone, and James Stratton, trumpet, were soloists. An alumni band, composed of Lee High Band graduates, also contributed to the success of the concert.

An assembly for the student body and a spring concert held in June, were well received by the audiences. On May 8, the Band again competed in the Music Festival, held this year at Mount Greylock.

The climax of the year was the Lee High School Band's performance on May 14 at the Tiparillo Pavilion at the New York World's Fair. We thank the Band Parents' Club and all others who helped with the financing of our trip.

Memorial Day found the band leading the parades in Tyringham and Lee.

The year ended on Graduation night with the strains of "Pomp and Circumstance" as we Seniors marched for the last time to the music of the Lee High Band.

Majorettes

Forward . . . march! At the command of the whistle, fourteen majorettes stepped off in unison, performing precision routines during the 1964-'65 marching season. With Susan DiSimoni acting as drum major-ette and Marian Houk as captain, the majorettes appeared at the Fall Foliage Festival, football games, and Memorial Day parades in both Tyngham and Lee.

For the first time, the majorettes were instructed by an experienced twirler, Mrs. R. Boynton. The assistance of Mrs. Boynton and the diligence of the girls throughout the winter resulted in an excellent performance at the New York World's Fair in May, 1965.

Lee Finishes Third in First Inter-County League Season

The Wildcats opened their 1964 season under the direction of Coach John Consolati, veteran of twenty-eight years. During this time, Lee had been playing independent games. Last year for the first time, the Wildcats played a competition schedule as members of the Inter-county League.

Lee High began its season auspiciously with an impressive 28-0 victory over the defending league champion Mounties of Mt. Greylock. Carmen DiGrigoli led the Wildcat attack with scoring runs of 89 and 42 yards. He also caught an 18 yard touchdown pass and bolted over for a 2 point conversion. Don Lucy scored the last T.D. for Lee and Dave Blache added the two points.

The Wildcats next met a stubborn Ware High team, and lost 20-14. Although

a tough Lee line allowed only 5 yards on the ground, the Ware men scored three times on long passes. The Wildcats scored on two Don Lucy tosses. One a 30 yard bomb to end Pete Salinetti, the other an 8 yard flip to halfback Carm DiGrigoli.

A tough Mahar eleven proved to be too strong for the Wildcats, with a 16-6 victory. The lone Lee score occurred when Jim DiSimoni intercepted a pass in the end zone and made a sensational run-back of 105 yards.

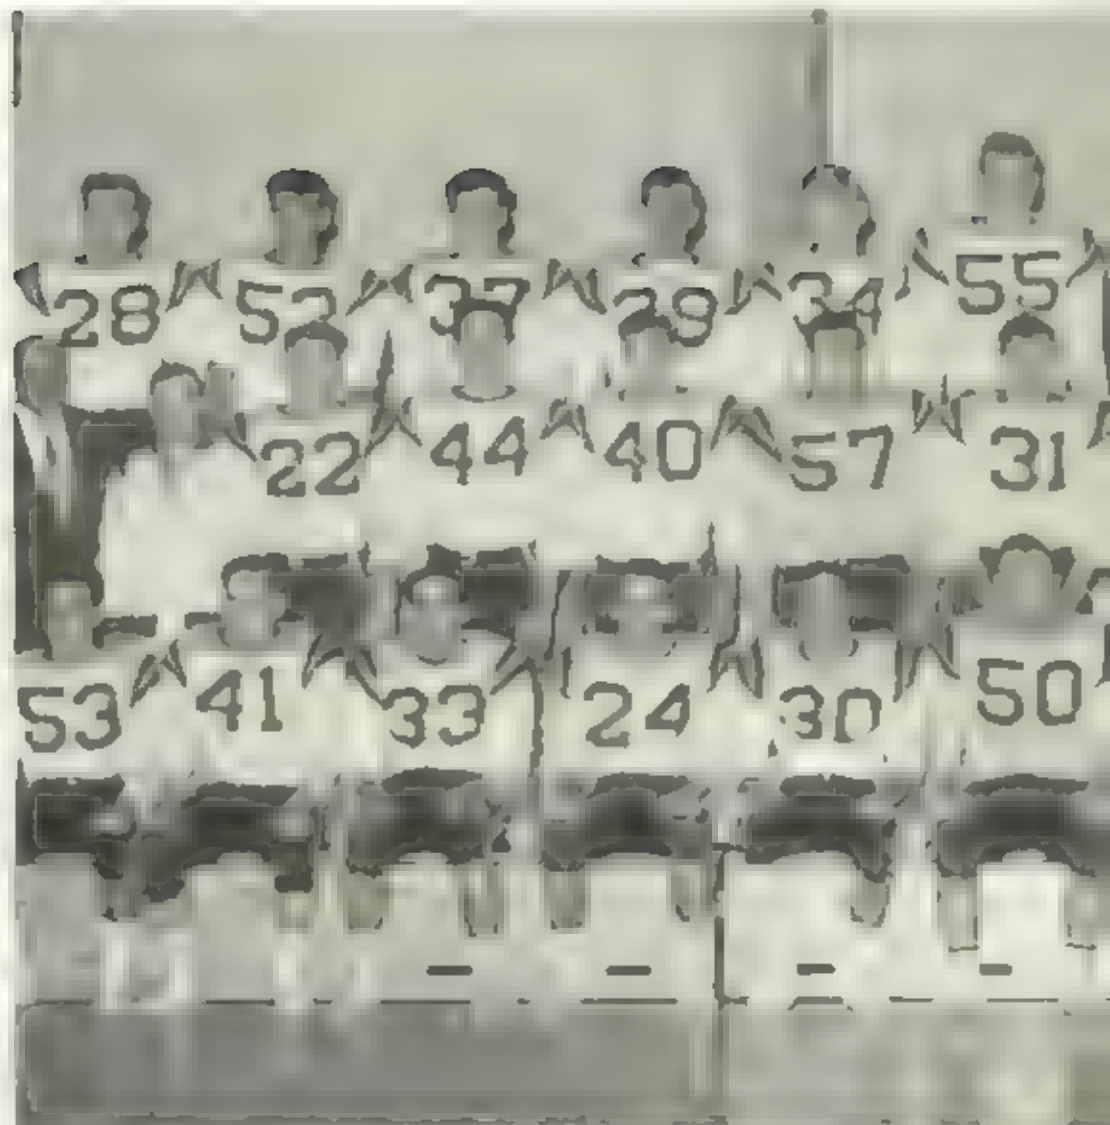

Playing scoreless ball for three quarters, Lee and Frontier battled a fast and furious final period. The Regional boys were first to break into the scoring column, but the Wildcats bounced back on a 31 yard Jim DiSimoni touchdown. With the

game tied and one minute remaining, quarter back Don Lucy bucked over to score. Carm DiGrigoli added the 2 points and the Wildcats emerged with a 14-6 victory.

A steady rain didn't seem to bother the Wildcats in the next game as they defeated Pioneer 20-12. The game was highlighted by an 80 yard Lucy to Blache pass and a 58 yard Bartini run. Carmen DiGrigoli, one of the most valuable Wildcat players, was injured in the 2nd quarter and was lost for the season.

Battling a determined Arms team, the Wildcats edged out an 18-16 victory. With a goal line stand, the Lee defense stopped Arms from scoring an important T.D. at the 1 yard line. On the next play Jim Bartini ran 99 yards for 6 Lee points. Following a 40 yard DiSimoni run, Lucy scored from the 1 and Dave Blache also tallied to complete the Lee total. Vinton

Withers, Lenny Miller, and David Brown starred on defense for the Wildcats.

Taking a 4-2 record into the next game, the "Orange and Black" met the league leaders, Amherst. Although the Lee defense was superb, the offense failed to click and the Wildcats were handed an 8-0 defeat.

The final game of the season was an independent tilt against Searles. The Wildcats routed the Mustangs by a 40-6 margin. Using the cross-buck effectively, Lee seemed able to score at will.

The Wildcats did well, ending their season with a 5-3 record. Carm DiGrigoli was chosen All-Inter-county League halfback at the season's close. Playing their last games for Lee High were the following: Eddie Scolforo, Arnold Kelly, Bernie Roy, Vinton Withers, Carm DiGrigoli, John Farina, and Jim DiSimoni.

The Look of Confidence

KNEELING: C. DiGrigoli, J. Bartini, D. Lucy, J. DiSimoni, L. Miller, L. Martinez,

Luis Martinez (32) scores two for Lee.

Lee High, the defending Berkshire County champions, opened the 1964-65 season with an inexperienced team. Jim DiSimoni was the only regular returning from last year's squad. In their initial start, the Wildcats thumped the Gaels of North Adams 54-49. Dave Brown led the well balanced Lee scoring attack with 12 points. The Wahconah five proved to be a tough opponent in the next game. Putting on a good spurt, they pulled ahead in the 4th quarter and outlasted Lee 58-55. Jim Bartini was the high scorer for Lee with 16 points. The Wildcats met a strong team from South Hadley in the third game. The Hadley five used their powerful punch to win by a 73-66 margin. Len Miller contributed 23 points to the Lee cause.

In their return engagement with St. Joe's (N.A.), the Wildcats were unable to repeat their initial performance, as the Gaels posted a 58-46 victory. Jim DiSimoni, a defensive standout, also led the offense with 11 points.

In their next four games, the Wildcats beat Mt. Greylock twice, 58-47 and 61-52, but lost twice to Drury, 64-58 and 68-58. This brought Lee High's season record to 3-5.

Champions

STANDING: M. Buker, S. Biasin, D. Blache, P. LaGrant, R. Barbini, T. McDarby, D. Brown, A. Kraszeski.

In their last game before the start of the league schedule, the Wildcats used a fast break to wallop New Lebanon 79-43. Lee opened defense of their S.B.L. crown against Chester High. Every Wildcat player scored in the 95-56 victory. The Wildcats played host in the next game to their traditional rival, Lenox High. Jim DiSimoni and Jim Bartini kept Lee well ahead most of the game with their sparkling defensive work. The Millionaires, however, caught fire in the 4th quarter and went ahead by 5 points with 47 seconds left. Only the clutch shooting of Len Miller and Silvio Biasin pulled out a hard fought 65-63 Wildcat victory.

The Lee Five easily won their next two games with a 97-61 victory over Williams, and a 53-35 triumph over league leader, Searles. A 26 point last quarter failed to help as the Wildcats lost their last exhibition game 65-61 to Classical. Luis Martinez excelled for Lee.

The next scheduled game began the 2nd half of league play. The Wildcats defeated Chester 82-42, Stockbridge 75-50, Searles 77-58, and Mr. Everett 79-38.

Jim DiSimoni (24) hits from the side.

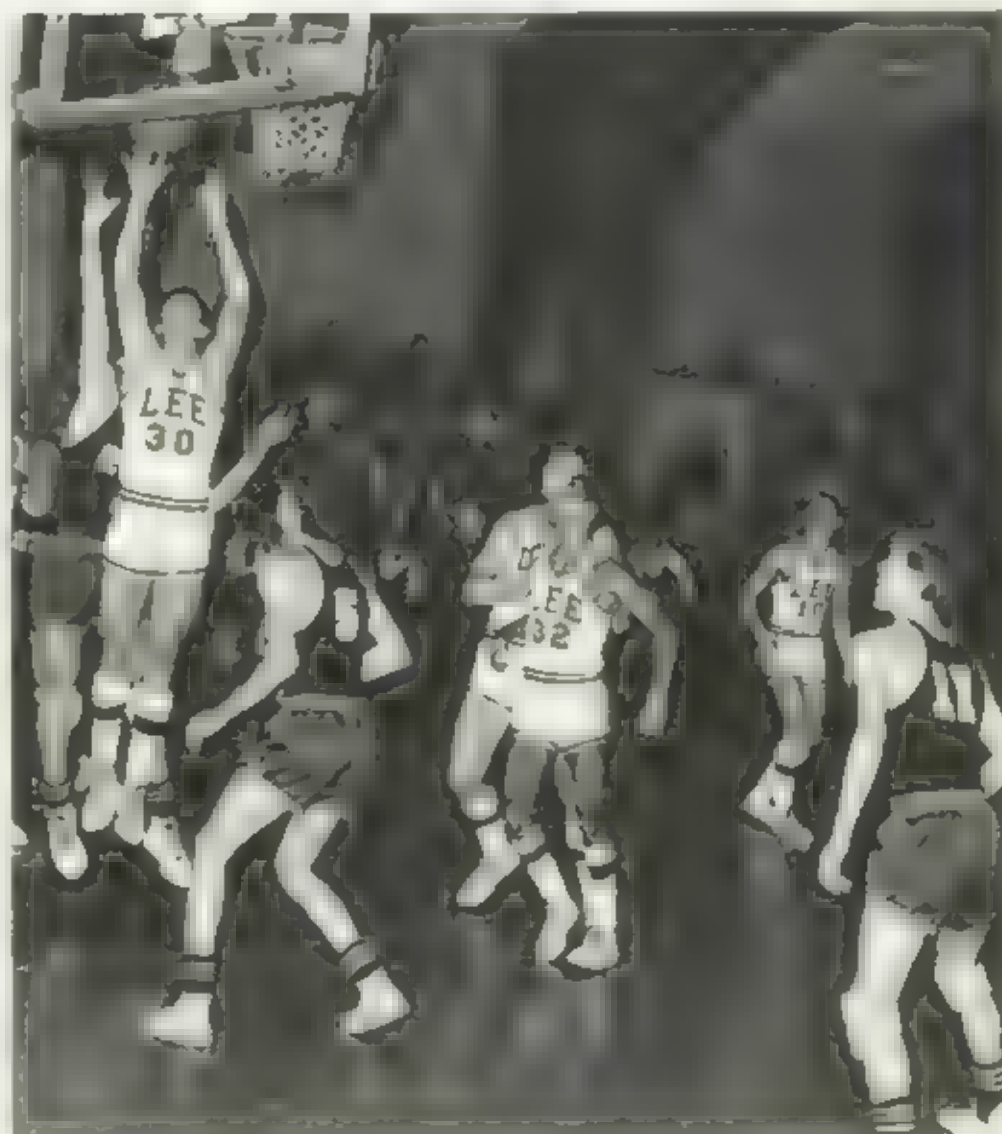

On March 10, the Wildcats played their last game of the season against the S.B.L. All-Stars. Lee once again emerged victorious by a score of 85-68, after a shaky first half. High scorers for the Wildcats were Jim DiSimoni and Len Miller, each with 21 points. Playing their last game for the "Orange and the Black" were Jim DiSimoni, Carmen DiGrigoli, Luis Martinez, Philip La-Grant, and Silvio Biasin. The Wildcats overall season record was a respectable 15-9.

Coach Bob Coakley and Captain Jim DiSimoni.

Only a defeat to Lenox kept Lee from obtaining a perfect record of 10-0. This loss was a costly one, for it threw the Championship into a tie between the Wildcats and the Millionaires and necessitated a playoff game. The play-off game held on a neutral court, the Boys' Club of Pittsfield, proved to be a mismatch. The Wildcats played one of their best games of the year and emerged victorious by a 74-47 margin.

Having successfully defended their Southern Berkshire League title, the Wildcats moved into the Berkshire County Playoffs with St. Joe's of Pittsfield. In the first contest, played at Lee, the Wildcats put up stiff opposition for most of the game, but fell apart with 3 minutes left, losing 67-56. Lee's box and one zone held St. Joe's and Berkshire County's all time high scorer, Frank Scago, to 22 points. The return tilt at the Pittsfield Boys' Club was as disappointing for Lee as the first. The Wildcats lost by an 80-65 margin in a one sided contest. Four Lee players hit double figures.

Although the team didn't win the Berkshire County Championship this year, they did much better than expected. The Wildcats of 1965-66 should be contenders once again for the S.B.L. crown.

Don Lucy (30) goes up for a rebound.

The Junior Varsity players show fine promise for the future, as they completed their 1964-65 schedule with a 16-3 record. This was Coach Cinella's initial year as the team's mentor, and he guided the boys through an undefeated season in league play.

Consistent scorers and ball hawks in the J.V. attack were Dave Blache and Dave Dewkett. The rebounding and defensive play of Moe Reynolds, Richie Barbini, and Tom McDarby were also vital factors in the team's success.

The only losses suffered by the J.V.'s were at the hands of Drury, St. Joe's (N.A.), and Wahconah, all independent contests. Lee, however, dominated most of the league tilts.

Coach Cinella will lose most of his squad next year, but he will undoubtedly come up with another fine team.

Hoping to return the S.B.L. Championship to Lee, the Wildcats opened their 1964 season under Coach Coakley.

The '64 squad, although basically a weak hitting team, were sound on defense, having lost only one regular by graduation. Led by the fine pitching of Richie Mouglin and Joe Kresiak, and the base running of Billy Dewkett, the Wildcats managed to keep in contention for the crown. Only a defeat to Lenox at the season's end kept the Lee Nine from accomplishing their preseason goal.

Hurt badly by graduation, the Wildcats fielded an inexperienced team in 1965. Returning in 1965 were: Seniors: Bob Marsden, George Ingegner, Silvio Biasin, Phil LaGrant, Bill Basnait; Juniors: Dave Blache, Jim Bartini; Sophomore: Don Lucy.

The 1964 golf season, though a winning one, was a rebuilding year for Coach Lucy. The only experienced golfer returning was Terry Carty. Perhaps the most promising group of Freshmen since the Wells boys made up the backbone of the squad also turned out. Returning this year are: Senior, Terry Carty; Junior, Steve Cadenelli; and Sophomores, Larry Liss, Richie Barbini, and Tom McDarby. To this basic group are added several Freshmen, along with other boys who should challenge for the six starting positions. Thirty-three boys participated in the golf program. Lee was proud to have Tom McDarby and Donnie Lucy qualify for the State MGA Junior Championship at Wellesly C.C.

Veteran coach, Robert Lucy, starts 15th season.

Miss Ludlow's Trip

At the beginning of the year a substitute physical education teacher, Miss Dorothy Casey, filled in for the first two months. The occasion? A leave of absence obtained by Miss Ludlow for her trip to the Tokyo Olympics. While there she attended conferences and panels, conducted by the most eminent members of the physical education profession. One of the high points of the visit was a motorcycle trip across the island with her college room-mate. They went exclusively Japanese: Sleeping in Japanese hotels, eating Japanese food, and speaking typical "tourist Japanese." Miss Ludlow brought back new ideas and teaching methods to the classes at Lee High.

Leaders' Corps

The Leaders' Corps is a club for girls interested in the teaching aspects of physical education. Girls from the Sophomore, Junior, and Senior classes with an A average in both written and practical performance meet once a week to learn what they themselves must teach the following week. The two main objectives are: 1.) to help the teacher in class, as she cannot give each group complete personal attention, and 2.) to give the Leaders Corps member actual experience in teaching methods.

Field Hockey

Two players begin game by a "bully."

The newest sport introduced at Lee High has been field hockey. This year, the turnout was greater than before, indicating a growing interest. Although intramural teams were not organized, the girls formed two teams and played several games. Last year they tried their luck at Foxhollow in both a Jr. Varsity and Varsity game. Foxhollow's longer experience with the sport enabled them to gain the upper hand; however, "Ludlow's Lassies" performed with skill, promising future victory.

The girls' varsity team, completely comprised of veterans, may have had overconfidence at the start of the season, but this feeling was soon dispelled by a 50 to 25 defeat at the hands of the Fox-hollow girls. A return game, however, gave Lee High a decisive 33 to 15 victory. An inexperienced Lenox High team was soundly defeated at the end of the season. This game gave all the girls an equal opportunity to play.

It is not necessary that we be reminded to thank the businessmen and women who give us their financial support each year. We are most appreciative, for without them Lee High's FERNCLIFF ECHO would not be. Each member in the class of 1965 extends this message of gratitude.
